DISCRIMINATION PROCEEDING

Docket No. WEVA 86-266-D

v.

MORG CD 86-6

PHOENIX RESOURCES, INC.,
RESPONDENT

ORDER OF DISMISSAL

Appearances: Larry Leffel, Mine Superintendent, for Respondent.

Before: Judge Broderick

On September 5, 1986, I issued an order to Complainant to show cause on or before September 19, 1986 why his complaint should not be dismissed because of his failure to appear at the hearing in Elkins, West Virginia on September 4, 1986. Complainant has not responded to the order to show cause.

Therefore, the complaint and this proceeding are DISMISSED.
